

EXPERIENCE

EMMA-KEARNEY DESIGN

Lead Visual Digital/UI Designer
2019 – Present

- Leading design projects while taking into consideration business objectives, user needs and technological constraints
- Designing products that build community and empowerment
- Creating apps for millennials battling mental health issues
- Building an inclusive and highly interactive virtual museum in all breakpoints, incorporating WAI-ARIA and WCAG 2.1 success criteria for meeting web accessibility compliance

EQUITY RESIDENTIAL

Senior UI Designer
Senior Visual Designer
2015 – 2019

- Conducted UX research with stakeholders and synthesized findings and recommendations to create compelling high-fidelity prototypes with an understanding of user-centered design principals
- Designed responsive websites as well as native mobile apps.
- Acted as sole designer on a sales tool resulting in a \$2 million ROI in the first 6 months
- Collaborated closely with development, utilizing HTML and CSS knowledge, enhancing communication
- Redesigned the identities of three former Trump Towers in New York's Upper West Side, reacting to low approval ratings, resulting in praise from The New York Times and positive user feedback from residents

ENCYCLOPÆDIA BRITANNICA

Visual Designer
2013 – 2015

- Created an e-commerce Shopify site, email marketing campaign, cutting down spending in half by eliminating the need to print and ship catalogs internationally which resulted in improved sales of the Book of the Year
